

AccuMax™

The Solution for Dispensing Biocide Plus

The AccuMax is a culmination of 30+ years of industry expertise and all the best features Hydro Systems has to offer. The AccuMax is versatile and durable, featuring patented AccuPro Technology for dilution control.

With AccuPro Technology, you can eliminate dilution variance and ensure your customers are never using too much or too little chemical. You will always be dispensing just the right amount!

With all of your favorite features, the AccuMax includes:

- 2 bottle filling solutions at 1 and 4.5 ounces per gallon
- 1 mop bucket filling option (1 ounce per gallon)
- Easy, tool-free maintenance
- E-Gap and AirGap options to satisfy regulatory standards
- Automatic regulation of water pressure to ensure more accurate dilution
